

Step-By-Step Guide to Signing Up a New Dealer

Signing up a new UltraWater Solutions dealer is a straightforward process, but ensuring each step is completed correctly helps avoid delays and sets the new dealer up for success. This guide provides a step-by-step walkthrough for existing dealers to follow when bringing someone on board. By following these steps, you'll ensure the new dealer has the right tools, information, and access to get started smoothly.

Step 1: Download the Dealer Application

- Log into your Dealer Dashboard.
- Navigate to the "Getting Started" tab in the Resource Center.
- Download the latest version of the Dealer Application form.

Step 2: Have Your New Dealer Complete the Application

- Provide the application to your new dealer.
- Ensure they fill out all required fields, including personal and business details.

Step 3: Submit the Application

- Once completed, have them email the form to help@ultrawatersolutions.com.

Step 4: Application Review & Dealer Requirements

- UltraWater Solutions will review the submitted application.
- To activate their account, the new dealer must:
 - Purchase a qualified unit. 💡
 - Pay the \$74.95 membership fee. 💡

Once approved, your new dealer will receive confirmation and access to their Dealer Dashboard.

As the sponsoring dealer, you have the discretion to waive the required unit purchase.

You also have the discretion to choose what dealer level they are signed up at (Sales Rep, Sr. Sales Rep., Dealer, or Master Dealer).
